ALUMINIUM SYSTEMS

SIVAL Optimum Door Panels

DOOR PANELS · SV-DP OPTIMUM

Aluminium panels with CNC engravings.

THE SYSTEM

Aluminium panels with CNC engravings. The new generation of panels with modern CNC engraved designs. Reinforced sheet metal thickness of 1.5 mm and laminated safety glasses, setting new standards in the panel market.

Choose any dimension, style, and design from dozens of available options. You can select any color and surface finish, while the wide variety of possible combinations of handles, knockers, and locks will impress even the most demanding users.

Technical Specifications

All panels are available in the following colour categories:

APPLICATIONS

residential | entrances | renovation

+44 7426 890065 · info@sival.co.uk
